QUICKSET AUTO GLASS TOOL

The QuickSet Auto Glass Tool is lightweight and sets up easily to act as an installation aid for many windshields. Simply attach the parts to vacuum cups to manoeuvre the glass into the proper location and set the glass.

- ✳ Light Weight
- ✳ Affordable
- ✳ Easy to Setup, Remove, and Store

QUICKSET

The Kit includes:

- ✳ 1 x QUICKSET-TOOL Auto Glass Setting Tool
- ✳ 1 x WRD-A3 Anchor Cup
- ✳ 1 x WRD-PRO6-B Handling Cup

QUICKSET-TOOL

The QuickSet is available as a tool only. Purchase this tool if you already have the two WRD cups included in the QUICKSET kit.

DRAGON DragOn Skin Glass Protector

The DragOn Auto Glass Protector is a professional-grade auto glass cover/protective blanket meant to protect windshields during prep work for installations.

The DragOn blanket is a thermal insulating blanket to keep glass up to 11°C cooler.

DragOn Features:

- ✳ Protects primer from sun exposure
- ✳ Reduces temperature of glass prior to install
- ✳ Reduces foreign object contamination

Long Cut Out Knives

- ✳ Built from solid, lightweight aluminium.
- ✳ Soft grip handles ensures stable, tight grip.
- ✳ The steel fastener holds blades tight with a #2 Phillips thumb screw, making blades changes quick and easy.
- ✳ Uses OZ-BLADES replacement blades.

LK18PK 450mm / 18" long – Extra long for extra leverage.

LK14PK 350mm / 14" long – Favourite length in the industry.

LK09PK 225mm / 9" long – For tight spaces and any odd job around the shop.
